I HOPE YOU FIND THE MATERIALS IN THIS FILE USEFUL
TO YOUR CLASSROOM. BELOW IS A BRIEF
DESCRIPTION OF THE DOCUMENT INCLUDED! ENJOY!

THE CARDS AND LABELS MAKE DAILY FIVE MORE
MANAGEABLE FOR YOUNGER (AND OLDER) STUDENTS.

THIS DOCUMENT INCLUDES...

1. DAILY FIVE CHOICE CARDS:

Students can choose their Daily Five Rotations and place the appropriate card in a pocket chart.

2. ROUND 1-5 LABELS

These cards can be placed at the top of a pocket chart where your students will make their Daily Five choices.

3. DAILY FIVE LABELS

These cards can be used to label bins/pockets for the Daily Five Choice Cards.

OPTIONAL:

You can also find a Daily Five Weekly Management sheet that students can complete so you are aware of their Daily Five choices. I would suggest using a pocket chart (or a couple small pocket charts) for students to make their choices and a over the door shoe holder (you will just need 6 compartments) or 6 small bins for the extra choice cards to be placed.

Enjoy! Mrs. Jones
